## OVERDRAFT PRIVILEGE AND OVERDRAFT PROTECTION

Life happens! We understand that unexpected overdrafts occur from time to time - overdraft coverage can help. The choice is yours, consider these ways to cover overdrafts:

Overdraft Protection Plan Options	Cost
<b>Overdraft Protection Transfer Service from another deposit account<sup>1</sup></b>	<b>\$10 fee per transfer in \$100 increments</b>
<b>Ready Cash Reserve line of credit<sup>1, 2</sup></b>	<b>Subject to \$10 transfer fee + interest, transfers in \$100 increments</b>

<sup>1</sup>Call us at the number on the back of your debit card, or stop by a banking center to sign up or apply for these services; <sup>2</sup>subject to credit approval.

The **overdraft protection plans** described above may help prevent overdrafts by automatically transferring funds to your checking account from another checking, savings or money market account or line of credit you may have at the Bank for a fee or finance charge. Please note that Ready Cash Reserve lines of credit are subject to credit approval. These services may be less expensive than Overdraft Privilege.

In addition to the Overdraft Protection Plans, the Bank offers Overdraft Privilege to eligible accounts.

<b>Overdraft Privilege</b>	<b>\$35 Overdraft Fee per item. Daily \$5 Continuous Overdraft fees may apply if overdrawn 5 business days or more</b>

**Overdraft Privilege** allows you to overdraw your account up to the disclosed limit for a fee in order to pay a transaction. Even if you have an overdraft protection plan, Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted.
